IFTA is doing very well in every aspects like education, funding and camps etc. IFTA help alot in my education, without the support of IFTA I couldn't bear my fee and can't able to achieve my goals.

People who put themselves on the line and sacrifice their own things for the greater good and for others, and anyone in any profession whose concern is the welfare for other people instead of the individual, are inspiring and important. Thanks for your presence IFTA.

IFTA Welfare Trust provide financial support for students to pay for a University degree. These funds enable students to obtain education they may not have access to otherwise. IFTA Welfare go further than being financial aid for many students. They reward deserving students with the ability to afford higher education.

I am deeply appreciate of your support I would like to thank you for your generosity and support. Thanks to the IFTA Welfare Trust, my goals are within reach. I hope that one day I will be able to help students achieve their goals just as you have helped me.

IFTA welfare trust helped me perseu my medical studies. Alhumdulillah I am studying in Jinnah Sindh medical university, top ranked among Pakistan medical universities. This is all due to IFTA scholarship that I'm able to be a doctor sooner inshallah. Affording medical studies at this point of time when inflation is too high was a challenge for my family, but with IFTA support I'm persueing my dream.
